

Dear Parent/Carer,

Aim Higher Event 5.30 – 8.00 p.m. Thursday 28th February 2019

I am writing to invite you and your son/daughter to an Aim Higher/Careers Convention event at which students and parents will have the opportunity to meet representatives from universities, colleges, training and apprenticeship providers and local employers to discuss college applications, university applications, apprenticeships and employment opportunities. There will also be two presentations, one focusing on the value of a university education and the other on the benefits of apprenticeships. You will have the opportunity to visit both if you choose to do so. It is never too early for students to begin the process of formulating career plans based on expert knowledge and advice. **The event is open, therefore, to students in all year groups and their parents.**

We will have representatives from:
