

22 September 2021

Dear parent/carer

Covid-19 vaccination for 13-15 year olds

We have now been informed about the NHS Covid-19 vaccination programme for 13-15 year olds.

As for other vaccination programmes, the role of the school is only to provide a facility. Collecting consent and conducting the vaccinations is entirely the role of the NHS School Age and Community Immunisation Service.

NHS information for parents/carers/students about the vaccination can be found at

<https://www.gov.uk/government/publications/covid-19-vaccination-resources-for-children-and-young-people>

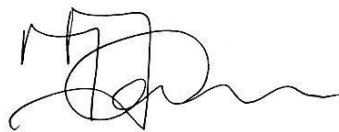

Vaccination will only be carried out where the written consent of parents/carers has been received.

Vaccinations will be carried out on Wednesday 29 September. Please view the attached letter from the NHS. If you wish your son/ daughter to receive the Covid-19 vaccination follow the link in that letter before the deadline of 11am on 27 September.

If you have an enquiry about the vaccination programme please contact the NHS team directly by phoning 0300 790 0594.

If you have any further enquiries for school please email office@vandyke.cbeds.co.uk and we will respond as quickly as possible.

Yours sincerely

Tim Carroll
