

Sport (Extended Certificate)

BTEC Edexcel Level 3

Course tutor

Mr M Conway

Category	Information
Course entry requirement	General BTEC entry requirements. A grade 5 in GCSE PE or Sports Science is preferred but not compulsory.
Course description <i>What will I be studying and doing?</i> <i>How much theory, how much applied or practical?</i>	<p>The course offers students a unique opportunity to follow their interest in sport and fitness.</p> <p style="text-align: center;">BTEC Level 3 National Extended Certificate in Sport <i>Equivalent to one A level</i></p> <p>Units covered :</p> <p>Unit 1- Anatomy and Physiology (Written Exam) Unit 2- Programming for Health, Sport and Well-being (Written Exam) Unit 3- Professional Development in the Sports industry (Coursework) Unit 7- Practical sports performance (Coursework)</p> <p>The course will require pupils to have suitable sports kits for practical and leadership lessons.</p>
Coursework <i>What do I have to do for coursework, and when?</i>	<p>All coursework units are assessed through approximately 4-5 tasks.</p> <p>Each unit is assessed through written work, presentations, observation records, witness statements and practical coursework.</p> <p>Coursework is completed in lessons and at home. You will be accredited with either a pass, merit, distinction for each unit. In your final grade you can achieve a distinction*.</p>
Final examination <i>What's the final exam like?</i>	<p>Two external assessments which contributes towards the final grade.</p> <p>Unit 1 Anatomy and Physiology (Written exam, 90 minutes) Unit 2 Programming for Health, Sport and Well-being (Externally assessed case study, written exam 2.5 hours)</p> <p>All other units are coursework based.</p> <p>Pupils will have the opportunity to sit the exam in year 12 and in year 13 (although there is an additional cost to this).</p>
Post-18 Opportunities and Employment	<p>The course is suitable for students who are aiming to go on to university and study a sports related degree or progress onto higher training apprenticeships within the sport and leisure industry. Potential career paths could include careers in teacher training, physiotherapy, sports coaching and health and fitness.</p>
