

13th January 2023

Dear parent / carer

Y11 Subject Consultation Evenings

We are inviting you to book your online appointments with the relevant teachers for the Y11 Subject Consultation Event. The meetings will take place over two evenings and the schedule is outlined in the table below. We are using www.schoolinterviews.co.uk as we do normally for these events and teacher availability is usually between 4pm and 7.30pm each evening. Your child's latest Progress Report will be issued via email on Wednesday prior to the appointments starting.

| | |
|----------------------|-------------------------|
| Wednesday 25 January | English, Maths Science, |
| Thursday 26 January | Other Option subjects |

Please note that some staff may be available on both evenings or the alternative evening to their department

The booking site is now open and will close on Wednesday 25 January at 3pm. To book an appointment with the relevant subject teachers, please use the following instructions. Each call will be for a maximum of 5 minutes. Most departments will be making video calls using www.whereby.com and you will be sent a link to join the individual teacher's call with your booking confirmation email. You do not need any software or to download an app, just a camera-enabled device.

Please go to or use the QR link and follow the steps below:

<https://www.schoolinterviews.co.uk/code/ym49h>

Enter your details - name, email address, child's name etc.

- Choose the relevant teachers
- Choose available times

Once you have completed your bookings you will receive an email detailing your appointment times and whether they will be a video call or phone call.

You can change your appointment bookings at any time prior to the closing date, by re-visiting the www.schoolinterviews.co.uk website from the same computer you made the original booking on, and using the event code. Remember to use the same computer, name and email address, you used when you made your original booking.

Kind regards

Paul Phillips
Deputy Headteacher
