

# Policy on Parking for Sixth Form Students

Any car parked on the school site must have a parking permit displayed. There are a limited number of parking spaces – therefore we have to carefully consider each case before granting a parking permit to Sixth Form students.

To secure a permit, a student must meet one of the following criteria:

- Work at Vandyke as a cleaner, therefore working unsociable hours
- Be a **Year 13 student** AND live outside a 1 mile radius AND have no way of getting to school via the bus.

Please speak to Mr Lavery, Facilities Manager to apply for a parking permit.

The Site Team monitor school parking and any illegal parking will result in a consequence, potentially losing the right to park on the school site.
