July 2026

Parents/Guardians of all Year 10 & 11 Students

Revision Guides & Exam Equipment

You may be aware that your son/daughter may need additional revision resources to help them consolidate their knowledge and prepare fully for their GCSE exams. These resources can be expensive but, as a school, we can purchase in bulk at a discounted price.

I have attached a list of the required resources by subject area, which will allow you to choose which books to buy. If you wish to purchase at a discounted price via the school, you may do so by using our on-line shop using the following link:

[Vandyke Upper School Shop](#)

Books will be available to purchase throughout the year.

Students must come to all exams with all the equipment needed. The following items are also available via the School Shop.

Casio FX85GT CW dual power scientific calculator.

This calculator has all the functions and features that students will need for their GCSE maths studies.

Exam pencil cases which contain shatter resistant 15 cm ruler, 3 x black ink pens, 2 x pencils, highlighter pen and eraser.

Students who attract Pupil Premium funding will be eligible for resources paid for by the school. Please place your order using the form below which should be e-mailed to finance@vandyke.org.uk or handed in at the Finance Office at school.

If you have any queries with any aspect of this process please do not hesitate to contact the finance office.

Alison Gorst

Finance Officer
